

IVORY PAPER

PAPER

OVERVIEW

Ivory paper has multiple variations, some better suited for non-food packaging items such as toiletries and pharmaceuticals and some food packaging items. BIC offers two non-food packaging ivory paper, which includes an economical grade white-back folding box board (SinarFOLD-VA) and a duplex grey back paper board (SinarPLEX-DA) with strengths including good packaging quality in terms of printing and converting processes and high printability. Food packaging ivory paper carries strong properties such as capabilities to withstand fridge condition.
